

CREATING REALITY HACKATHON

Participant Waiver/Release/Agreement

I, MARIA ROSZYK wish to participate in the Creating Reality Hackathon being held at the University of California ("USC") March 12-15, 2018 (the "Hackathon") and I agree as follows:

1. Intellectual Property:

Any and all intellectual property, including but not limited to, inventions, copyrightable material, software, semiconductor mask works, and tangible research property that I develop or contribute to the development of during and within the scope of the Hackathon, will be released under an open-source license. Participants are responsible for ensuring that their work is properly licensed. For Open Source Initiative approved licenses, see opensource.org/licenses/category and for assistance in choosing a license, see choosealicense.com

2. Rules:

I have read, understand and agree to the Rules of Code of Conduct of the Hackathon made available to me at <http://www.creatingrealityhack.com/rules>. I will abide by the Rules and the Code of Conduct and understand that any failure to adhere to either may result in my disqualification, forfeiture of prizes, removal from the event and disqualification from future hackathons.

3. Liability/Injury:

- I understand that there is no guarantee that this activity is free of risk of personal injury or property damage or loss. By signing this form, I hereby release USC, the Hackathon and Grassroots Developer Education, Inc., ("Grassroots") and their employees, agents, sponsors and volunteers, from and against any and all claims, demands, actions, complaints, suits or other forms of liability of any kind that any of them may sustain from any injury, loss, damage or harm whatever arising from, or connected with, my participation in this event. I also agree to indemnify and hold harmless said parties from the released claims, including any and all related costs, attorney fees, liabilities, settlements and/or judgements.
- I am solely responsible for any equipment that I have brought to the Hackathon and will not hold USC, the Hackathon and/or Grassroots, and their employees, agents, sponsors and volunteers, responsible for any loss, theft or damage of my equipment.
- If I borrow any equipment from the Hackathon, I will keep it in good repair and condition and accept full financial responsibility for any damage or loss of the equipment, whether caused by me or someone else who I have allowed or authorized to use the equipment, and I agree and authorize the Hackathon to charge my credit card for any such damage/loss.
- I give permission to be given emergency medical treatment and/or transportation if necessary in the event of accident, injury or sudden illness while
